

MOULIN DE DUHART 2022

■ VINEYARD ATTRIBUTES

Appellation : AOC Pauillac, Bordeaux, France

Pauillac is located on the left bank of the Gironde estuary, approximately 40km North of Bordeaux. With the tempering influence of the estuary and a great diversity of soils originated from both the Massif Central and the Pyrenees, Pauillac boasts exceptional climatic and geological conditions to make outstanding wines.

Terroir : Château Duhart Milon's vineyard consists of a single block of vines adjacent to Château Lafite Rothschild, on the hillside to the west of the Carruades plateau. The property has 76 hectares of vines. The soil consists of fine gravel mixed with aeolian sand on a tertiary limestone subsoil.

■ WINE MAKING SCHEME

Moulin de Duhart is vinified using the traditional methods for the great Médoc wines, with destemming and crushing of the grapes before fermentation in concrete and stainless-steel vats. Fermentation takes place at a controlled temperature of 30°C, followed by maceration for about ten days. After malolactic fermentation, the wines are transferred to two-year-old French oak barrels and aged for 12 months.
