

BRISANDES

SAUVIGNON BLANC 2023

At Los Vascos cultivation is at our heart; we cultivate not only vineyards but our dream to transform our vast land into a fruitful eco-system producing the most elegant Chilean wines. We are free spirited but remember our heritage. Our holistic approach encompasses and protects all - from our short-legged sheep clearing weeds without devouring precious grapes to our artisans honing hand-made knives to carefully tend the vines. We embody the Chilean paradox, meticulous in our work, easy going and warm in our personality. We are independent yet proud to cultivate our community because we are stronger and happier together.

■ VINEYARD ATTRIBUTES

Appellation : Colchagua, Chile

Nestled between the Pacific Ocean and the Coastal range, the appellation benefits from the cooling effect of the Humboldt current. This oceanic climate, combined with shallow and relatively poor soil, gives the perfect conditions to produce fresh and aromatic white wines.

Terroir : Los Vascos is made up of a large diversity of soils. The heart of the estate, in the valley floor, consists of sand and clay alluvions left by the erosion of neighbouring granitic hills, as well as Tosca, a very hard soil made from volcanic ashes that have been transported by rivers into the plains and compacted over time.

Grapes are mainly sourced from the coolest parts of Los Vascos in Colchagua Valley.

■ VINTAGE SUMMARY

A winter with moderate rainfall, gave way to a spring that initially behaved with normal temperatures and gradually rose to above normal levels during February and March, transforming the season into a very hot year, similar to 2019.

■ WINE MAKING SCHEME

Grapes are harvested before daylight when temperatures are at their lowest. After a few hours of cold maceration, they are pressed and fermented at low temperature in stainless steel tanks to preserve their aromatic potential. The wine is partly aged on lees in order to obtain a good balance between roundness and freshness.

■ TASTING NOTES

The robe is crystalline with a slight greenish hue.

The nose is fresh and aromatic with notes of green chili, asparagus, green apple and lime, leading to more tropical notes such as passion fruit and lychee.

On the palate the wine has a marked tension and delicate citrussy aromas. A vivid yet complex expression of Chilean Sauvignon Blanc.

TECHNICAL INFORMATION

Varietals : Sauvignon blanc 100%

Alcohol content : 12.6 % vol.

pH : 3.13

Total acidity : 4.24 g/l
