Réserve Spéciale Classic

A TRADITION OF EXCELLENCE

The history of Domaines Barons de Rothschild (Lafite) goes back to the purchase of Chateau Lafite Rothschild in 1868. For more than five generations, developing excellence in winemaking has been at the heart of their mission.
Today their prestigious vineyards around the world share the same savoir-faire to produce wines that express finesse and elegance in the Lafite spirit.
Réserve Spéciale wines are made by oenologist Diane Flamand with the same care and passion that is given to the grands crus. They offer a classic expression of Bordeaux wines with immediate charm.
