

DOMAINE D'AUSSIÈRES

A D'AUSSIÈRES ROSÉ 2024

Aussières was built on a fertile ecosystem where nature and people come together to learn from each other and create. Our village is very much a living place, where dialogue is the cardinal value. A dialogue of many kinds: between the elements, between the generations that have labored its grounds, between its villagers and craftsmen, and between the wine world's different schools of thought. That is what moves us forward, ultimately creating wines that tell a story of place, respect and nuance.

■ VINEYARD ATTRIBUTES

Appellation : IGP Pays d'Oc, France

The estate is nestled in the rugged hills just behind the Mediterranean coastline of Narbonne, in the South of France.

Terroir : The soils are very shallow and rocky on the slopes, and deeper and sandy in the plain. Yields are voluntarily kept very low in order to preserve the vines and foster the production of high quality grapes.

■ WINE MAKING SCHEME

Grapes are pressed on arrival at the winery and transferred in temperature controlled stainless steel tanks. After 15 days of fermentation at 18°C, the wine is aged for 4 months in tanks to preserve the purity of the fruit.
