

AUSSIÈRES

HAMEAU D'AUSSIÈRES 2019

Aussières was built on a fertile ecosystem where nature and people come together to learn from each other and create. Our village is very much a living place, where dialogue is the cardinal value. A dialogue of many kinds: between the elements, between the generations that have labored its grounds, between its villagers and craftsmen, and between the wine world's different schools of thought. That is what moves us forward, ultimately creating wines that tell a story of place, respect and nuance.

■ VINEYARD ATTRIBUTES

Appellation : AOC Corbières, Languedoc-Roussillon, France

The estate is nestled in the rugged hills just behind the Mediterranean coastline of Narbonne, in the South of France.

Terroir : The traditional Corbières blend is made predominantly of Syrah, with Carignan, Mourvèdre and Grenache, whilst the cooler terroir of Aussières confer the wine its exceptional balance and finesse.

■ VINTAGE SUMMARY

In the Languedoc, after a mild winter and a cool spring, temperatures rose, reaching a peak throughout the region at the end of June; this was followed by a hot summer. Fortunately, Aussières escaped the drought and the heatwave thanks to its ally the wind; in particular from the south-east: the "Marin" which brings just the right amount of moisture for the vines' growth. Finally, some rain at the beginning of September enabled the grapes to reach the desired levels of ripeness.

The Carignan, Mourvèdre and Grenache benefited the most from these conditions and in this vintage reveal superb freshness and aromatic intensity.

■ WINE MAKING SCHEME

Hameau d'Aussières is made according to the traditional method. Alcoholic fermentation takes place in temperature-controlled stainless steel and concrete tanks. The Carignan partially undergo carbonic maceration, contributing to its distinctive style. During fermentation regular pump over allow a gentle extraction of the tannins and phenolic compounds. Once the fermentation is completed, the wine is left untouched for a couple of days. Total maceration time stretches 15-20 days.

■ TASTING NOTES

Hameau 2019 has a very pure, sunny bouquet, with notes of flint and graphite. These are mingled with the very specific scents of our garrigue (thyme, black truffle) and some liquorice and eucalyptus.

On the palate, there is the same mineral character and notes of the garrigue but on a slightly different register (mentholated vervain, sage, laurel).

Secondary notes of blackcurrant and blueberry compote and a hint of fruit brandy emerge, a sign of the beginning of a very harmonious evolution. The tannins are well-integrated, giving the wine a perfectly balanced structure.

TECHNICAL INFORMATION

Varietals : Syrah 36%, Grenache noir 35%, Mourvèdre 12%, Carignan 9%, Alicante-henri-bouschet 8%

Alcohol content : 14.5 % vol.

pH : 3.61

Total acidity : 3.23 g/l
