

CHABLIS PREMIER CRU VAULORENT DOMAINE 2025

The steep and rocky slopes stretching to the right and left of the Serein are the cradle of a history over one hundred and fifty million years old. A unique Kimmeridgian terroir, an alternation of marl and marly limestone, endows Chablis wines with a mineral character and immense freshness. A typicity that is envied, often imitated but never equalled. As incomparable and admirable as it may be, a terroir can only fully reveal its potential through the work of people. At Domaine William Fèvre, everything is done, regardless of the level of appellation, to express the authenticity of the Chablis terroirs.

VINEYARD ATTRIBUTES

Appellation : AOC Chablis Premier Cru Vaulorent, Bourgogne, Chablis, France
Appellation of 17 hectares on the right bank of the Serein, in the exact continuation of the Grands Crus slope, separated by a simple path from the Grand Cru Les Preuses, the appellation produces powerful and mineral wines.

Terroir : Marl with fairly deep soils. The plots cover 3.63 hectares, representing 21.35% of the Vaulorent appellation, oriented from southeast to southwest.

WINE MAKING SCHEME

Application of the principle of gravity to avoid any pumping, which could alter the quality of the wine. Short-duration pneumatic pressing (1.5 to 2 hours) for a delicate separation between the solid and liquid parts of the grapes. The vinifications are carried out in stainless steel vats. Aging lasts 19 months, including 5 to 6 months on fine lees in French oak barrels for 40% of the blend. The aging process finishes in small stainless steel tanks.

TECHNICAL INFORMATION
Varietals : Chardonnay 100%
