

# VAL DE L'OURS

## CHARDONNAY 2024

There's a place on the hills bordering the Mediterranean shores where nature has always been so abundant that brown bears had chosen it to settle down, knowing that the rocky hillsides and forest would provide them a safe habitat, and the thick vegetation ample supplies of food and water. Today human activity has reclaimed this fertile valley, pushing the bears further up towards the Pyrenean mountains and allowing us to produce a range of generous wines.

### VINEYARD ATTRIBUTES

**Appellation** : IGP Pays d'Oc, France

The estate is nestled in the rugged hills just behind the Mediterranean coastline of Narbonne, in the South of France.

**Terroir** : The soils are very shallow and rocky on the slopes, and deeper and sandy on the plain. Yields are voluntarily kept very low in order to preserve the vines and ensure the production of high quality grapes. This Chardonnay comes from the coolest plots of Val de l'Ours and selected neighbouring terroirs, in order to obtain a wine with distinctive freshness.

### VINTAGE SUMMARY

The 2024 vintage begins with a significant deficit in vine reserves. Growth is weak at the start of the season but picks up thanks to life-saving rains at the end of April. Phenological development is very heterogeneous, even within the same plots. In early May, a few millimeters of rain fall, June is warm, and growth is active. The summer of 2024 is not as hot and dry as 2023, which is good news for the vegetative development of the vines and the ripening of the grapes. The harvest of whites and rosés takes place at the end of August, and a 15-day wait is required before starting the red harvest in mid-September. The ripening process took its time, but once achieved, the quality of the grapes was excellent.

### WINE MAKING SCHEME

Grapes are harvested before daylight when temperatures are at their lowest. After a few hours of cold maceration, they are pressed and fermented at low temperature in stainless steel tanks to preserve their aromatic potential. The wine is partly aged on lees in order to obtain a good balance between roundness and freshness.

### TASTING NOTES

Cristal clear with pale yellow reflections.

The nose is indulgent with notes of pear and white peach.

The lively attack marked leads to a generous palate balanced by a beautiful tension, revealing citrus aromas.

The delicate finish brings a saline touch to the wine's fresh fruit aromas.

#### TECHNICAL INFORMATION

**Varietals** : Chardonnay 100%

**pH** : 3,3

**Total acidity** : 3,33 g/l
