

## PREMIER CRU VAULORENT DOMAINE 2018

The steep and rocky slopes stretching to the right and left of the Serein are the cradle of a history over one hundred and fifty million years old. A unique Kimmeridgian terroir, an alternation of marl and marly limestone, endows Chablis wines with a mineral character and immense freshness. A typicity that is envied, often imitated but never equalled. As incomparable and admirable as it may be, a terroir can only fully reveal its potential through the work of people. At Domaine William Fèvre, everything is done, regardless of the level of appellation, to express the authenticity of the Chablis terroirs.

### ■ VINEYARD ATTRIBUTES

**Appellation** : AOC Chablis Premier Cru Vaurorent, Bourgogne, Chablis, France

Appellation of 17 hectares on the right bank of the Serein, in the exact continuation of the Grands Crus slope, separated by a simple path from the Grand Cru Les Preuses, the appellation produces powerful and mineral wines.

**Terroir** : Marl with fairly deep soils. The plots cover 3.63 hectares, representing 21.35% of the Vaurorent appellation, oriented from southeast to southwest.

### ■ VINTAGE SUMMARY

Winter brought particularly contrasting weather, with abundant rain in January and dry cold in February. Budbreak occurred in mid-April, followed by very rapid vegetative growth, encouraged by warm and dry weather. After harmless frosts in early May, flowering was quick and uniform at the end of May. Summer brought heat and sunshine, with occasional rain in August that promoted the ripening of the berries. Harvest began on September 3, with an exceptional state of health. 2018 offered us beautiful golden grapes of excellent maturity, with generous yields.

### ■ WINE MAKING SCHEME

Application of the principle of gravity to avoid any pumping, which could alter the quality of the wine. Short-duration pneumatic pressing (1.5 to 2 hours) for a delicate separation between the solid and liquid parts of the grapes. The vinifications are carried out in stainless steel vats. Aging lasts 19 months, including 5 to 6 months on fine lees in French oak barrels for 40% of the blend. The aging process finishes in small stainless steel tanks.

### ■ TASTING NOTES

Powerful nose combining citrus aromas and white-fleshed fruit with a typical mineral note of the appellation. Rich and concentrated, the palate offers remarkable freshness and length.

#### TECHNICAL INFORMATION

**Varietals** : Chardonnay 100%
