

## BLACK CLASSIC SAINT-EMILION 2015

### ■ VINEYARD ATTRIBUTES

**Appellation** : Saint-Emilion,

### ■ VINTAGE SUMMARY

The 2015 vintage was characterised by a rather late bud burst, a quick and uniform flowering which took place under very favourable conditions (low rainfall and above-average temperatures). July was very hot (with a near-heatwave between 30 June and 6 July) and dry (20 mm of rain, like in 2010). August, however, was quite wet (90 mm on average) compared with the past fifteen years. Véraison (end July/beginning August) was quick and uniform. At a Bordeaux level, 2015 is a very good vintage, though marked by a certain lack of uniformity due to the patchy rainfall in August and September.
