

CHÂTEAU L'EVANGILE 1981

■ VINEYARD ATTRIBUTES

Appellation : AOC Pomerol, Bordeaux, France

The Pomerol appellation stretches on a plateau on the right bank of the Dordogne river, about 40km north east of Bordeaux. In Pomerol, merlot is king. The characteristics of Pomerol's clay soil give to this varietal an expression like nowhere else in the world.

Terroir : L'Evangile's vineyard covers 22 hectares at the heart of the Pomerol plateau, sharing the appellation's best terroirs with two other prestigious properties. Here, through a mystery of geology, the heavy green clay soils are covered by a bed of gravel. These high quality soils are the source of the estate's great merlot, and the secret of Chateau l'Evangile's extraordinary power and depth.

■ WINE MAKING SCHEME

Alcoholic fermentation took place in temperature-controlled concrete vats and lasted for about 10 days. Pumping over and maceration times were adjusted for each vat, according to the terroir and the maturity of the tannins. Total maceration times were of 27 days on average for the merlot and 28 days for the cabernet franc. After maceration, the wine was transferred in new oak barrels for the malolactic fermentation, followed by 19 months of ageing.

■ TASTING NOTES

An elegant nose with notes of black olives and bay leaves accompanied by a subtle smell of smoke.

A very nice sweetness in the mouth with a surprising freshness for the age of this wine. A beautiful balance bringing a lot of delicacy.

TECHNICAL INFORMATION

Alcohol content : 13 % vol.

Total acidity : 3.24 g/l
