

LOS VASCOS

ROSÉ 2023

At Los Vascos cultivation is at our heart; we cultivate not only vineyards but our dream to transform our vast land into a fruitful eco-system producing the most elegant Chilean wines. We are free spirited but remember our heritage. Our holistic approach encompasses and protects all - from our short-legged sheep clearing weeds without devouring precious grapes to our artisans honing hand-made knives to carefully tend the vines. We embody the Chilean paradox, meticulous in our work, easy going and warm in our personality. We are independent yet proud to cultivate our community because we are stronger and happier together.

VINEYARD ATTRIBUTES

Appellation : Colchagua, Chile
Los Vascos estate lies in the foothills of the coastal range, 200km South West of Santiago, in the cooler part of the Colchagua valley, where the vines benefit from an ideal microclimate thanks to the influence of the Pacific Ocean.

Terroir : Los Vascos is made up of a large diversity of soils. The heart of the estate, in the valley floor, consists of sand and clay alluvions left by the erosion of neighbouring granitic hills, as well as Tosca, a very hard soil made from volcanic ashes that have been transported by rivers into the plains and compacted over time. Grapes are sourced from dedicated plots of Cabernet Sauvignon and Syrah, that are tended with a view to producing a great rosé.

VINTAGE SUMMARY

A winter with moderate rainfall, gave way to a spring that initially behaved with normal temperatures and gradually rose to above normal levels during February and March, transforming the season into a very hot year, similar to 2019.

WINE MAKING SCHEME

Grapes are harvested early in the morning, when temperatures are lower, in order to preserve the aromatic freshness of the grapes. At the winery, grapes are pressed directly and fermented at low temperatures in stainless steel tanks to preserve their aromatic potential. The wine is aged in tanks to retain the purity of the fruit.

TASTING NOTES

A low intensity pink color is the first impression of this delicate wine. The nose shows all its expression with notes of fresh red fruits such as strawberries and cherries. The palate is refreshing and tense, with a volume that accompanies and leaves a pleasant sensation, surprising for its persistence, surprising for its persistence.

TECHNICAL INFORMATION	
Varietals :	Syrah 60%, Grenache noir 30%, Mourvèdre 10%
Alcohol content :	13.5 % vol.
pH :	3.06
Total acidity :	3.94 g/l
