L' ESPRIT ET LA MATIÈRE

ANSEILLAN 2018

Appellation: AOC Pauillac, Bordeaux, France

Pauillac is located on the left bank of the Gironde estuary, approximately 40km North of Bordeaux. With the tempering influence of the estuary and a great diversity of soils originated from both the Massif Central and the Pyrenees, Pauillac boasts exceptional climatic and geological conditions to make outstanding wines.

Terroir: The village of Anseillan lies to the east of Lafite Rothschild, between the Château and the Gironde. This area presents a wide variety of terroirs which are the subject of much thought and research. Cooler and later because of their northern exposure, they are also more clayey than Lafite's classic terroirs. This diversity is particularly interesting because it offers plots that are suited to our main grape varieties: Cabernet Sauvignon, Merlot, and Petit Verdot. This terroir and our teams' work give Anseillan's wine a unique style and excellent complexity.

■ VINTAGE SUMMARY

On the eve of the celebrations marking the 150th anniversary of the acquisition of Château Lafite by the Rothschild family, our teams faced major challenges due to capricious weather conditions. From December to July, relentless rain increased the risk of mildew and hail. Summer only truly began in mid-July with very high, sometimes extreme heat, which helped to restore the vines' health and set us on the path to a great vintage. New measures were taken to improve batch selection in the Anseillan vineyard for the 2018 vintage. Every possible effort was made to achieve greater precision and potential in the final blend.

■ WINE MAKING SCHEME

Anseillan is made according to the traditional Bordeaux method. Alcoholic fermentation is conducted in wooden, concrete and stainless steel vats. Gentle pumping-over helps to ensure a soft extraction and is carried out according to the specific characteristics of each tank. Total maceration time lasts for about 20 days. After malolactic fermentation, wines are transferred into French oak barrels made by the Tonnelleries des Domaines in Pauillac for a period of 16 months approximately.

■ TASTING NOTES

Deep and dark in color, almost black, with a nice brightness.

Before aeration, the nose is already intense, hinting at the beginning of its opening. After aeration, it becomes even more expressive with notes of cherry. We can still distinguish some smoky notes of the barrel ageing, then spices from the Petit-Verdot which represents 13% of this blend.

Well balanced on the palate, with generous volume thanks to the Merlot, and a great structure and freshness brought by the Cabernet Sauvignon, which imparts the long finish so typical of Pauillac. Still young but already very accessible, this wine will be at its peak between 2023 and 2028.

TECHNICAL INFORMATION

Varietals: Merlot 48%, Cabernet sauvignon 39%, Petit verdot 13%

Alcohol content: 13.5 % vol.

pH: 3.63

Total acidity: 3.62 g/l
